

CERTIFICATE AS TO RESOLUTION AND ADOPTING VOTE

I, the undersigned, being the duly qualified and acting recording officer of the City of Red Lodge, Montana (the "City"), hereby certify that the attached resolution is a true copy of Resolution No. 3468, entitled: "RESOLUTION RELATING TO SPECIAL IMPROVEMENT DISTRICT NO. 1; DECLARING IT TO BE THE INTENTION OF THE CITY COUNCIL TO CREATE THE DISTRICT FOR THE PURPOSE OF UNDERTAKING CERTAIN LOCAL IMPROVEMENTS AND FINANCING THE COSTS THEREOF AND INCIDENTAL THERETO THROUGH THE ISSUANCE OF SPECIAL IMPROVEMENT DISTRICT BONDS SECURED BY A DISTRICT RESERVE ACCOUNT AND THE CITY'S SPECIAL IMPROVEMENT DISTRICT REVOLVING FUND; AND ESTABLISHING COMPLIANCE WITH REIMBURSEMENT BOND REGULATIONS UNDER THE INTERNAL REVENUE CODE" (the "Resolution"), on file in the original records of the City in my legal custody; that the Resolution was duly adopted by the City Council of the City at a meeting on April 24, 2018, and that the meeting was duly held by the City Council and was attended throughout by a quorum, pursuant to call and notice of such meeting given as required by law; and that the Resolution has not as of the date hereof been amended or repealed.

I further certify that, upon vote being taken on the Resolution at said meeting, the following Council Members voted in favor thereof: Drew, Diane Dimich,
Mahan, Westwood, Thompson, Andrew Dimich voted against the same: _____
none; abstained from voting
thereon: none; or were absent:
none.

WITNESS my hand officially this 24th day of April, 2018.

City Clerk-Treasurer

RESOLUTION NO. 3468

RESOLUTION RELATING TO SPECIAL IMPROVEMENT DISTRICT NO. 1; DECLARING IT TO BE THE INTENTION OF THE CITY COUNCIL TO CREATE THE DISTRICT FOR THE PURPOSE OF UNDERTAKING CERTAIN LOCAL IMPROVEMENTS AND FINANCING THE COSTS THEREOF AND INCIDENTAL THERETO THROUGH THE ISSUANCE OF SPECIAL IMPROVEMENT DISTRICT BONDS SECURED BY A DISTRICT RESERVE ACCOUNT AND THE CITY'S SPECIAL IMPROVEMENT DISTRICT REVOLVING FUND; AND ESTABLISHING COMPLIANCE WITH REIMBURSEMENT BOND REGULATIONS UNDER THE INTERNAL REVENUE CODE

BE IT RESOLVED by the City Council of the City of Red Lodge (the "City"), Montana, as follows:

Section 1. Proposed Improvements; Intention To Create District. The City proposes to undertake certain local improvements, consisting of engineering, design, construction and installation of street improvements and related improvements (collectively, the "Improvements"), which benefit certain properties located in the area of the City known as the Red Lodge Country Club Estates, all as more particularly described in Section 5. The total estimated costs of the Improvements and all associated costs are \$1,299,900, of which \$61,900 is to be contributed by the City and \$1,238,000 is to be paid from the special improvement district bonds hereinafter described. It is the intention of this Council to create and establish in the City under Montana Code Annotated, Title 7, Chapter 12, Parts 41 and 42, as amended, a special improvement district (the "District") for the purpose of financing a portion of the costs of the Improvements and paying costs incidental thereto, including costs associated with the sale and the security of special improvement district bonds drawn on the District (the "Bonds"), the funding of a deposit to the City's Special Improvement District Revolving Fund (the "Revolving Fund"), and the funding of a reserve account securing the Bonds in the District fund (the "Reserve Account"). The Bonds are to be payable primarily from special assessments to be levied against property in the District, which property will be specially benefited by the Improvements, in an amount not less than \$1,238,000.

Section 2. Number of District. The District, if the same shall be created and established, shall be known and designated as Special Improvement District No. 1 of the City of Red Lodge, Montana.

Section 3. Boundaries of District. The limits and boundaries of the District are depicted on a map attached as Exhibit A hereto (which is hereby incorporated herein and made a part hereof), which boundaries are designated and confirmed as the boundaries of the District. A listing of each of the properties in the District that are subject to assessment is shown on Exhibit B hereto (which is hereby incorporated herein and made a part hereof).

Section 4. Benefited Property. The District and territory included within the limits and boundaries described in Section 3 and as shown on Exhibit A and described on Exhibit B are hereby declared to be the special improvement district and the territory which will benefit and be benefited by the Improvements. The properties to be assessed for a portion of the costs of the Improvements are listed on Exhibit B. Such properties included within said limits and boundaries are hereby declared to be the property benefited by the Improvements.

Section 5. General Character of the Improvements. The general character of the Improvements is design, engineering and construction of street improvements and related improvements. The Improvements consist of two general components: the “Chip Seal Component” and the “Scrub Seal Component.” The Chip Seal Component will be undertaken with respect to all public streets in the District. The Scrub Seal Component will be undertaken with respect to all or portions of Lazy M Street, Upper Continental Drive, Continental Circle, Country Club Drive, Lower Continental Drive, Lobo Court, Sundog Court, Bobcat Circle, Kane Circle, Silver Circle, Lazy M Circle, Barrier Circle West, Barrier Circle East, Bear Paw Circle, Bigfoot Circle and Pine Ridge Circle, all of which are public streets. The streets receiving the Scrub Seal Component are identified in red on the map attached as Exhibit A.

Section 6. Engineer and Estimated Cost. Great West Engineering, Inc., of Billings, Montana, shall be the Engineer for the District. The Engineer has estimated that the engineering and construction costs of the Improvements will be \$938,700, as shown in Exhibit C. The current estimated costs of the Improvements and all associated costs are \$1,299,900, of which \$61,900 is to be contributed by the City and \$1,238,000 is to be paid from proceeds of the Bonds. Such estimates are subject to revision or to amendment.

Section 7. Assessment Methods.

7.1. Method; Property To Be Assessed. The costs of the Improvements shall be assessed against all lots, parcels, tracts and units located in the District benefitting from the Improvements as set forth in this Section 7.

7.2. Equal Amount Per Project Component; Residential Equivalent Assessments.

(a) Condominiums. The District includes properties created as condominiums. For purposes of spreading assessments, each condominium unit is considered a separate parcel of land, subject to separate and equal assessment in the same manner as lots, parcels and tracts of land in the District not created as condominiums, and the lien of the assessment shall attach to each condominium unit. The parcel of land constituting the common interest area or common elements of each lot, parcel, or tract created as a condominium will not be separately assessed for the Improvements.

(b) Residential Equivalent Assessments. All lots, parcels, tracts and units within the District will be assessed depending, among other things, on whether the lot, tract, parcel or unit is used for residential or nonresidential purposes. There are currently 663 lots, tracts, parcels and units in the District that are used or available to be used for residential purposes. There are currently 8 lots, tracts, parcels and units in the District that are used for nonresidential purposes, all of which are attributable to a golf course and country club (the “Golf Course Properties”).

Each lot, tract, parcel and unit in the District that is used for nonresidential purposes, including the Golf Course Properties and any lots, tracts, parcels or units in the District that are converted to nonresidential use in the future and are then being used for a nonresidential purpose, will be treated as the equivalent of 1.5 residential lots, tracts, parcels or units. Currently, there are 675 residential equivalent lots, tracts, parcels and units in the District (treating each of the 8 Golf Course Properties as the equivalent of 1.5 residential lots, tracts, parcels or units).

(c) North and South. Properties in the District with addresses on the streets receiving the Scrub Seal Component, or who access their properties by private roads accessible from such streets, are referred to herein as being located in the “South” of the District. All of the Golf Course Properties (as defined below) are considered to be in the South. The other properties in the District are referred to as being located in the “North” of the District. Exhibit B sets forth, for each property, whether such property is in the North or in the South. There are 208 lots, tracts, parcels and units in the North and, treating the 8 Golf Course Properties as described above, 467 lots, tracts, parcels and units in the South.

(d) Chip Seal Component. Costs of the Chip Seal Component will be assessed against all lots, parcels, tracts and units in the District, based on an equal amount per residential equivalent lot, tract, parcel or unit, as described in Section 7-12-4162, M.C.A. Costs of the Chip Seal Component are expected to be approximately 63% of the total costs of the Improvements and incidental costs to be financed with proceeds of the Bonds, or \$779,940. By dividing this estimated cost equally among all residential equivalent lots, tracts, parcels and units in the District, the total principal amount of the assessment per residential equivalent lot, tract, parcel and unit for the Chip Seal Component is estimated to be \$1,155,47.

(e) Scrub Seal Component. Twenty percent (20%) of the costs of the Scrub Seal Component will be assessed against all lots, tracts, parcels and units in the North of the District, based on an equal amount per residential equivalent lot, tract, parcel or unit, as described in Section 7-12-4162, M.C.A. Eighty percent (80%) of the costs of the Scrub Seal Component will be assessed against all lots, tracts, parcels and units in the South of the District, based on an equal amount per residential equivalent lot, tract, parcel or unit, as described in Section 7-12-4162, M.C.A. Costs of the Scrub Seal Component are expected to be approximately 37% of the total costs of the Improvements and incidental costs to be financed with proceeds of the Bonds, or \$458,060.

(i) By dividing 20% of the estimated cost of the Scrub Seal Component equally among all residential equivalent lots, tracts, parcels and units in the North of the District, the total principal amount of the assessment per residential equivalent lot, tract, parcel and unit in the North of the District for the Scrub Seal Component is estimated to be \$440.44.

(ii) By dividing 80% of the estimated cost of the Scrub Seal Component equally among all residential equivalent lots, tracts, parcels and units in the South of the District, the total principal amount of the assessment per residential equivalent lot, tract, parcel and unit in the South of the District for the Scrub Seal Component is estimated to be \$784.69.

(f) Estimated Total Principal Amount of Assessment—North. Based on the information in subparagraphs (d) and (e) of this Section 7.2, the total principal amount of the assessment for costs of the Improvements and incidental costs for each residential equivalent lot, tract, parcel or unit in the North of the District is estimated to be \$1,595.91.

(e) Estimated Total Principal Amount of Assessment—South. Based on the information in subparagraphs (d) and (e) of this Section 7.2, the total principal amount of the assessment for costs of the Improvements and incidental costs for each residential equivalent lot, tract, parcel or unit in the South of the District is estimated to be \$1,940.16.

7.3. Future Subdivision; Consolidation. If an increase occurs in the number of benefited lots, tracts, parcels or units within the boundaries of the District during the term of the Bonds (including, without limitation, an increase in the number of condominium units), or the number of lots, tracts, parcels or units used for nonresidential purposes increases, the Council will recalculate the amount assessable to each lot, tract, parcel and unit. The recalculation will be based on the amount of the District's outstanding principal of and interest on the Bonds for the current fiscal year and the City will spread the assessments across the District based on the number of benefited lots, tracts, or parcels within the boundaries of the District as of the July 1 following the action that resulted in the increase in the number of benefited lots, tracts, parcels or units, or the increase in the number of lots, tracts, parcels or units used for nonresidential purposes, all as provided in Section 7-12-4162(3)(b), M.C.A. In doing so, the Council will comply with Sections 7-12-4176 through 7-12-4178, M.C.A.

From and after creation of the District the lien of the special assessments to pay or finance the costs of the Improvements and incidental costs is not extinguished or diminished by the combination or consolidation of multiple lots into fewer lots; accordingly, the area consisting of the combined or consolidated lot or lots will be assessed in an amount equal to the amount it would have been assessed had the combination or consolidation of lots not occurred. The preceding sentence applies with equal force to condominium units and any reduction in number of condominium units.

7.4. Assessments Stated as Principal Only. The dollar amounts of the special assessments stated above in this Section 7 and set forth in Exhibit B are stated only as total principal amounts. The special assessments, when levied, will include interest at the prevailing interest rate as prescribed by the Act, and such principal and interest will be amortized over the term of the Bonds and payable in semiannual installments.

7.5. Assessment Methodology Equitable and Consistent with Benefit. This Council hereby determines that the method of assessment and the assessment of costs of the specific Improvements against the properties benefited thereby as prescribed in this Section 7 are equitable and in proportion to and not exceeding the special benefits derived from the respective Improvements by the lots, tracts, parcels and units to be assessed therefor within the District.

Section 8. Method of Financing; Pledge of Revolving Fund; Findings and Determinations. The City will issue the Bonds in an aggregate principal amount not to exceed \$1,238,000 to finance a portion of the costs of the Improvements and costs incidental thereto.

Principal of and interest on the Bonds will be paid from special assessments levied against the property in the District and such payment will be secured, in part, by the Reserve Account.

This Council finds it is in the public interest, and in the best interest of the City and the District, to secure payment of principal of and interest on the Bonds by the Revolving Fund and hereby authorizes the City to enter into the undertakings and agreements authorized in Section 7-12-4225, M.C.A., in respect of the Bonds.

In determining to authorize such undertakings and agreements, this Council has taken into consideration the following factors:

(a) Estimated Market Value of Parcels. The estimated market value of the lots, tracts, parcels and units in the District as of December 2017 ranges from \$5,165 to \$1,038,872. The special assessments to be levied under Section 7 against each applicable lot, tract, parcel or unit in the District is less than the estimated increase in market value of the lot, tract, parcel or unit as a result of the construction of the Improvements.

(b) Diversity of Property Ownership. There are 671 lots, parcels, tracts, and units in the District. Such lots, parcels, tracts, and units are owned by approximately 469 different owners. Approximately 55 owners own two or more lots, tracts, parcels or units in the District, and the owner of the most lots, tracts, parcels or units in the District owns 105 lots, tracts, parcels or units in the District. The ownership of the properties within the District as reflected in the County's property ownership records as of January 2018 is shown on Exhibit B.

(c) Undeveloped Lots or Tracts. Of the 671 lots, tracts, parcels and units in the District to be assessed for the Improvements, roughly 1/3 are undeveloped and 2/3 are developed.

(d) Comparison of Special Assessments and Property Taxes and Market Value. Information showing market value information for properties within the District is set forth on Exhibit B. The assessed value of each applicable parcel in the District is greater than the amount of the assessment to be levied against it.

(e) Delinquencies. There are no outstanding special assessments levied against property in the District. The historical rate of tax delinquencies in the District is not greater than the City as a whole. Two of the 671 lots, tracts, parcels and units in the District to be assessed for the Improvements have tax delinquencies as of February 2018.

(f) The Public Benefit of the Improvements. The Improvements will result in safer and more usable roads within the City and are of general benefit to City residents as well as of special benefit to the District.

(g) Other Factors. The City is establishing a Reserve Account in the District fund, into which it will deposit 5% of the proceeds of the Bonds. Funds in the Reserve Account will be utilized to fund any debt service deficiencies related to this District before resorting to the Revolving Fund.

Section 9. Reimbursement Expenditures.

9.1. Regulations. The United States Department of Treasury has promulgated final regulations governing the use of proceeds of tax-exempt bonds, all or a portion of which are to be used to reimburse the City for project expenditures paid by the City prior to the date of issuance of such bonds. Those regulations (Treasury Regulations, Section 1.150-2) (the “Regulations”) require that the City adopt a statement of official intent to reimburse an original expenditure not later than 60 days after payment of the original expenditure. The Regulations also generally require that the bonds be issued and the reimbursement allocation made from the proceeds of the bonds within 18 months (or three years, if the reimbursement bond issue qualifies for the “small issuer” exception from the arbitrage rebate requirement) after the later of (i) the date the expenditure is paid or (ii) the date the project is placed in service or abandoned, but (unless the issue qualifies for the “small issuer” exception from the arbitrage rebate requirement) in no event more than three years after the date the expenditure is paid. The Regulations generally permit reimbursement of capital expenditures and costs of issuance of the bonds.

9.2. Prior Expenditures. Other than (i) expenditures to be paid or reimbursed from sources other than the Bonds, (ii) expenditures constituting preliminary expenditures within the meaning of Section 1.150-2(f)(2) of the Regulations, or (iii) expenditures in a “de minimus” amount (as defined in Section 1.150-2(f)(1) of the Regulations), no expenditures for the Improvements have been paid by the City before the date 60 days before the date of adoption of this resolution.

9.3. Declaration of Intent. The City reasonably expects to reimburse the expenditures made for costs of the Improvements out of the proceeds of Bonds in an estimated maximum aggregate principal amount of \$1,238,000 after the date of payment of all or a portion of the costs of the Improvements. All reimbursed expenditures shall be capital expenditures, a cost of issuance of the Bonds or other expenditures eligible for reimbursement under Section 1.150-2(d)(3) of the Regulations.

9.4. Budgetary Matters. As of the date hereof, there are no City funds reserved, allocated on a long-term basis or otherwise set aside (or reasonably expected to be reserved, allocated on a long-term basis or otherwise set aside) to provide permanent financing for the expenditures related to the Improvements, other than pursuant to the issuance of the Bonds. The statement of intent contained in this resolution, therefore, is determined to be consistent with the City’s budgetary and financial circumstances as they exist or are reasonably foreseeable on the date hereof.

9.5. Reimbursement Allocations. The City Clerk-Treasurer shall be responsible for making the “reimbursement allocations” described in the Regulations, being generally the transfer of the appropriate amount of proceeds of the Bonds to reimburse the source of temporary financing used by the City to make prior payment of the costs of the Improvements. Each allocation shall be evidenced by an entry on the official books and records of the City maintained for the Bonds or the Improvements and shall specifically identify the actual original expenditure being reimbursed

Section 10. Public Hearing; Protests. At any time within fifteen (15) days from and after the date of the first publication of the notice of the passage and approval of this resolution, any owner of real property within the District subject to assessment and only those subject to assessment for the cost and expense of making the Improvements may make and file with the City Clerk-Treasurer's office until 5:00 p.m., M.T., on the expiration date of the 15-day period (May 18, 2018), written protest against the proposed Improvements, or against the extension or creation of the District or both. Such protest must be in writing, identify the property in the District owned by the protestor and be signed by all owners of the property. The protest must be delivered to the City Clerk-Treasurer's office, who shall endorse thereon the date of its receipt by the City Clerk-Treasurer or the Deputy Clerk. This Council will at its next regular meeting after the expiration of the fifteen (15) days in which such protests in writing can be made and filed, proceed to hear all such protests so made and filed; which regular meeting will be held on May 22, 2018, at 7:00 p.m., at City Hall, 1 Platt Ave N, in Red Lodge, Montana.

Section 11. Notice of Passage of Resolution of Intention. The City Clerk-Treasurer is hereby authorized and directed to publish or cause to be published a copy of a notice of the passage of this resolution in the *Carbon County News*, a newspaper of general circulation in the City on May 3, 2018 and May 10, 2018, in the form and manner prescribed by law, and to mail or cause to be mailed a copy of said notice to every person, firm, corporation, or the agent of such person, firm, or corporation having real property within the District listed in its name upon the last completed assessment roll for state, City, and school district taxes, at its last-known address, on or before the same day such notice is first published.

PASSED AND ADOPTED by the City Council of the City of Red Lodge, Montana, this
24th day of April, 2018.

Mayor

EXHIBIT C

OPINION OF PROBABLE COST

PROJECT <i>Red Lodge Special Improvements District</i>	PROJECT NO. 2-12102	DATE 3/12/2018
--	-------------------------------	--------------------------

ITEM NO.	DESCRIPTION	QUANTITY	UNIT	UNIT PRICE	TOTAL PRICE
101	Traffic Control	1	LS	\$10,000	\$10,000
102	Rejuvenating Scrub Seal	80,000	SY	\$2.75	\$220,000
103	CRS-2P Asphalt Seal and Chip Coat. 3/8" Gradation	148,500	SY	\$2.50	\$371,250
104	Slurry Seal	11,000	SY	\$3.25	\$35,750
105	Asphalt Patching and Repair	1	LS	\$60,000.00	\$60,000
106	Router, Clean and Seal Cracks	25,000	LF	\$1.50	\$37,500
107	Repaint Pavement Markings	1	LS	\$8,500.00	\$8,500
BWD	SUBTOTAL				\$743,000
ESTIMATE BY:	MOBILIZATION 8%				\$59,440
CEH	SUBTOTAL				\$802,440
CHECKED BY:	CONTINGENCY 10%				\$80,244
	SUBTOTAL				\$882,700
REVISED BY:	Engineering				\$26,000
	Construction Management				\$30,000
	TOTAL				\$938,700

This Opinion of Probable Cost is the opinion of the engineer of the probable construction cost, and is supplied as a guide only. Since the engineer has no control over the costs of labor and materials or over competitive bidding and market conditions, the engineer does not guarantee the accuracy of such opinion as compared to contractor's bids or actual costs to the owner. Estimate is calculated in 2018 dollars.

EXHIBIT D

Estimated Maximum Project Budget

Construction/Engineering Costs	\$ 938,700.00
Miscellaneous Costs	50,000.00
Costs of Issuance	125,000.00
District Reserve Account	61,900.00
Deposit to Revolving Fund	61,900.00
Rounding	<u>500.00</u>
Total Estimated Principal Amount of SID Bonds	\$1,238,000.00
City Administration Costs	<u>61,900.00</u>
TOTAL ESTIMATED PROJECT COST	\$1,299,900.00
