SUBJECT: **NOTICE OF CHANGES TO ADMINISTRATIVE RULES OF MONTANA**

On January 26, 2007 the following changes to the Administrative Rules of Montana became effective as they apply to the enforcement of building codes for the Bureau of Building and Measurement Standards and certified city, county, and town building code programs.

In accordance with ARM 24.301.202(1) you have 90 days from receipt of this notice to adopt the applicable codes or amendments and provide written notification of adoption. Certified city, county, and town building code programs must make these changes for any codes they are certified to enforce. Updated building code editions may be adopted by a local jurisdiction through the Administrative Action process, but ONLY if a local ordinance exists which specifically allows an administrative action to adopt subsequent code editions or rule amendments.

Listed below is a summary of the building code changes.

- Adoption of the International Building Code, 2006 Edition (amending ARM 24.301.131)
- ARM 24.301.146 - Modification to the International Building Code applicable to both the Department's and Local Government Code Enforcement Programs, has been amended within this rule package.
- Adoption of the International Residential Code, 2006 Edition (amending ARM 24.301.154)
- Adoption of the International Existing Building Code, 2006 Edition (amending ARM 24.301.171)
- Adoption of the International Mechanical Code, 2006 Edition (amending ARM 24.301.172)
- Adoption of the International Fuel Gas Code, 2006 Edition (amending ARM 24.301.173)
